

# FLORIDA NEW PATIENT REGISTRATION

Your Healthcare Provider feels the services and information provided by the American Cancer Society could be valuable for you and your family in dealing with your cancer experience. Please complete and return this form to register for services available from the American Cancer Society. The information will be forwarded to the American Cancer Society.

You will receive, by mail, patient information including programs and services available through your American Cancer Society. In the meantime, if you need any information about your cancer or the American Cancer Society's services, we are available 24 hours a day, 7 days a week. Please call 1-800-ACS-2345 or visit our Web site at [www.cancer.org](http://www.cancer.org).

**FAX TO:  
1-800-578-9674**

## AMERICAN CANCER SOCIETY PROGRAMS

The American Cancer Society's free, comprehensive patient services and programs help with the emotional, physical and psychological needs associated with cancer. Please contact your Patient Services Center for eligibility criteria. Thank you.

### LOOK GOOD... FEEL BETTER

Our **LOOK GOOD...FEEL BETTER** licensed volunteer cosmetologists teach cancer patients techniques to help restore their appearance and self-image during chemotherapy and radiation treatments.

### HOPE LODGES

The American Cancer Society's **HOPE LODGES** offer lodging and emotional support for cancer patients. In Florida, there are Hope Lodges located in Gainesville and Tampa. Other resources may be available for outpatient lodging.

### MAN TO MAN

**MAN TO MAN** is an educational and support program for men with prostate cancer. It offers a confidential forum to discuss concerns and become better informed on related issues. Also available on a **one-on-one** basis.

### GIFT CLOSETS

**GIFT CLOSETS** are available in local communities. Donated items may include wigs, breast prostheses, bras and turbans. These items may not be available in all offices. Quantities are limited.

### I CAN COPE

**I CAN COPE** is a free educational program for people facing cancer – either personally or as a caregiver. This program provides participants with reliable information, peer support and practical coping skills.

### ROAD TO RECOVERY

Through **ROAD TO RECOVERY** trained volunteer drivers transport patients to and from cancer treatment. Other transportation resources for treatment may be available.

### REACH TO RECOVERY

**REACH TO RECOVERY** provides support and education to individuals dealing with the emotional and physical effects of breast cancer. Trained breast cancer survivors serve as role models to breast cancer patients after breast surgery. **Early Support** is provided to women facing a breast cancer diagnosis on a one-to-one basis.

### RESOURCES, INFORMATION AND GUIDANCE

Our **RESOURCES, INFORMATION AND GUIDANCE** service assists people in making informed decisions by providing:

- Answers to questions about cancer, prevention, detection and symptoms.
- Information about quality-of-life issues, including pain management.
- Referrals to local, state and national resources.
- Help identifying financial assistance for lodging during eligible out-of-town treatment, cancer-related pain medications and transportation to and from eligible cancer treatment.

### R.O.C.K.

**R.O.C.K.** stands for Reaching Out to Cancer Kids. Patients must be referred by their pediatric oncologist:

- **R.O.C.K. Camp** provides children with cancer an opportunity to experience the fun and adventure of a weeklong summer camp, in a safe environment, without feeling different from other children.
- **Families R.O.C.K. Weekend** is an educational and fun retreat for families who have a child who is newly diagnosed with cancer.
- The **College Scholarship Program** helps make dreams come true by offering college scholarships to qualified Florida students with a history of cancer.
